Pour une formation médicale indépendante
Au service des soignants et des patients

FORMINDEP, created in 2004, is a French not-for-profit organization governed by the French July 1st, 1901 act. Its members comprise of individuals, patients and groups of healthcare professionals. The primary aim of the organization is to promote the independence of medical education and medical information from any interests other than that of patients and healthcare professionals. The FORMINDEP charter can be accessed in both English and French on our website:
